

# 426 S. WOLFE ST. IN FELLS POINT

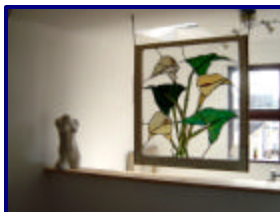

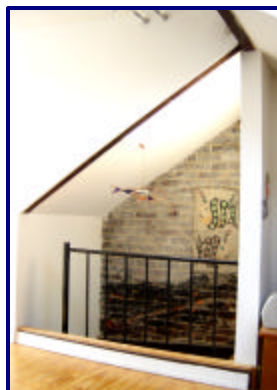

*Enjoy gorgeous views from your rooftop deck...sit back...relax...*

This beautiful home was lovingly restored and infused with artwork. As one of the oldest houses in Fells Point the artist and homeowner have restored many of the original features and added their artistic talent to make this home a piece of art. In addition they have added central air, a roof deck with incredible views, and their version of a wine cellar. Hidden behind the house is a secret garden patio for peaceful enjoyment.
